

## **GDI Consulting Announces Proposal Review Services for JETS 2.0**

**ALEXANDRIA, Va. - April 18, 2023 - [PRLog](#)** -- GDI Consulting today announced that it is offering proposal review services for the U.S. Defense Logistics Agency's (DLA) JETS 2.0 contract. The JETS 2.0 contract is a multiple-award indefinite delivery indefinite quantity (IDIQ) contract that will be used to acquire IT services from commercial sources. The contract has a total value of \$6 billion and a five-year base period with one five-year option period.

GDI Consulting's proposal review services will help contractors develop and submit proposals that are compliant with the DLA's requirements and that have the best chance of winning the contract. The company's team of proposal experts will review proposals for technical accuracy, compliance with the RFP, and overall quality. They will also provide feedback and recommendations to help contractors improve their proposals.

"We understand that JETS 2.0 is a complex solicitation and the to prepare a winning proposal presents challenges to any proposal team," said Maron Freedy, VP of Business Development at GDI Consulting. "Our team of experts has extensive experience in developing and reviewing proposals for government contracts and specifically DLA opportunities. We are confident that with our proposal review service, we can help contractors submit proposals that will give them the best chance of winning the contract."

GDI Consulting is a leading provider of proposal management services. The company has a proven track record of helping clients develop and submit winning proposals for government contracts.

About GDI Consulting: GDI Consulting is a leading provider of proposal consulting services for government contractors. Founded in 2009, and with over 2938 successful proposals with 82.1% win rate, GDI Consulting has been helping contractors win contracts and succeed in the government contracting space for 14 years. The company is committed to providing high-quality proposal and capture services and support to its clients.
