This includes thorough searching of files controlled by CCJ5 for information relevant for government personnel to determine declassification and ability to disseminate information based on a detailed knowledge of existing legal statutes, current CENTCOM information strategies and advising CCJ5 on the FOIA and MDR Program in accordance with CENTCOM directives to ensure plans and orders are properly safeguarded.

3.4. CONTINGENCY SUPPORT REQUIREMENTS. On-going regional conflicts, having a distinct possibility of escalating outside of the United States Government's intention, and global geopolitical friction impacting throughout the USCENTCOM areas of operation and interest present, with high likelihood, changing requirements throughout the awarded contract and, with almost certainty, within contract option years. These contingency support requirements are intended to address the uncertainty outlined above and the contractor, if requested by the customer, will fill the requirements within two months of written notification.

3.4.1. CONTINGENCY SUPPORT FORWARD (CS-CLIN 16)

3.4.1.1. The Contingency Support CLIN is applicable to CLINs 1 (Master Planner), 2 (Senior Planner) and 3 (Planner) above. All requirements from these CLINs remain but the temporary duty locations are within the USCENTCOM AOR, specifically Qatar, Saudi Arabia, Bahrain, Iraq, Israel, and Jordan. Additional locations may include Stuttgart, Germany and London, England. The expected duration of temporary forward duty will not exceed the originating contingency surge event requiring deployed surge support. Work hours surge from 40 to 60 per week, anticipating 10-hour days, 6 days per week.

3.4.2. HEADQUARTERS CONTINGENCY SUPPORT (CS-CLIN 17)

3.4.2.1. This Headquarters Contingency Support CLIN is applicable to CLINs 2 (Senior Planner), 3 (Planner), and 5 (Special Operations) above. All requirements from these CLINs remain and the primary duty location remains HQ USCENTCOM, Tampa, MacDill AFB, FL. The expected duration of contingency support will not exceed the originating contingency surge event. Work hours surge from 40 to 70 per week, anticipating 14-hour days, 5 days per week.

3.4.3. CONTINUITY OF OPERATIONS SUPPORT (CS-CLIN 18)

3.4.3.1. This Continuity of Operations Support (COOP) CLIN is applicable to all CLINs. All requirements from these CLINs remain but the primary duty location is undisclosed for security considerations. For lodging and MI&E estimates, utilize Tampa, Florida rates or the rate location used by USCENTCOM military and government civilian employees. The expected duration of COOP support will not exceed resolution of the COOP triggering event. Work hours may surge from 40 to 70 per week, anticipating 14-hour days, 5 days per week.

4. SERVICES SUMMARY / PERFORMANCE CRITERIA MATRIX

4.1. The Services Summary identifies the performance objectives and performance thresholds for all critical tasks associated with providing the services outlined in this PWS. This section contains those items considered most important for mission accomplishment. The performance objectives are those services/tasks required in the PWS. The performance threshold describes the minimum acceptable levels of service required for each requirement. The thresholds are critical to mission success. The Government requires the Contractor to perform at the acceptable levels throughout the life of the task order. See Attachment A. Table of Services Summary.

5. DELIVERABLES

5.1. All deliverables shall be submitted to the appointed government task lead, COR, or alternate COR using USCENTCOM e-mail.

5.2. See Attachment B. Table of Deliverables for the list of data and report deliverables.

5.3. Upon receipt of each deliverable, the Government will review and approve. If a deliverable is unacceptable, the Government will notify the Contractor, who shall coordinate with the COR to determine resubmission time.

5.4. The acceptance of deliverables and satisfactory work performance required herein shall be based on the standards as specified in the requirements per Attachment A and Attachment B of this document and USCENTCOM policy and/or procedures. The COR will review the Contractor's performance indicators in accordance with all the specifications stated in this document. Only the COR or alternate COR has the authority to inspect, accept, or reject work performed under this task order. The COR or alternate COR may coordinate with respective government task lead.

5.5. References for report deliverables and acronyms. Joint Doctrine Publications provide all references for reporting requirements. Copies should be obtained from the military service assigned administrative support responsibility by DoD Directive 5100.03, 07 September 2017, "Support of the Headquarters of Combatant and Subordinate Unified Commands". For this task

order use the U.S. Air Force Publications Distribution Center, 2800 Eastern Boulevard Bengies, Baltimore, MD 21220- 2896.

5.6. All non-electronic deliverables and products shall be delivered to the following mailing address:

USCENTCOM, CCJ5-Plans
ATTN: Contracting Officer Representative
7115 South Boundary Blvd
MacDill, FL 33621

6. GOVERNMENT-FURNISHED PROPERTY AND SERVICES

6.1. GOVERNMENT-FURNISHED EQUIPMENT (GFE): The Government will furnish the Contractor with workspace to accomplish the tasks in this performance work statement. The Government will provide utilities, heating and air-conditioning, and telephone service. Additionally, the Government will provide the Contractor workstations for all Contractor personnel, consisting of a desk, chair, and personal computer with access to the USCENTCOM local area classified and unclassified networks, and telephone for use during the period of this task order. The Government will approve adjustments in the number of workstations if personnel increase. Additionally, the Government will provide access to copier, and fax equipment necessary to produce deliverables and other equipment determined by the Government to be necessary to accomplish the tasks of this PWS. The Contractor shall comply with the USCENTCOM property management/inventory policies for all Government provided equipment. The Contractor shall be provided supplies, materials, and services to support performance under this task order.

6.2. GOVERNMENT-FURNISHED MATERIAL (GFM): The Government will provide all equipment, hardware, and software for technical systems upgrades. The Contractor will be required to provide incidental materials related to event support while Outside the Continental United States (OCONUS) when it is more cost-effective to do so and time is of the essence for mission accomplishment. Examples of incidental materials are connectors, LAN cable, power cords, power adapters, surge suppressors, projector lamps, duplication and binding services, as well as printer, copier, and office supplies.

7. GENERAL INFORMATION

7.1. PLACE OF PERFORMANCE. Most of the work will be performed on-site at USCENTCOM Headquarters in Tampa, Florida. A requirement will exist for contractor staff to attend meetings in the CONUS and OCONUS on a recurring basis. Most of the work will be performed on-site at USCENTCOM Headquarters in Tampa, Florida, unless a contractor is supporting a Contingency Support Requirement. Contractors may conduct unclassified and classified work from remote locations, in accordance with current USCENTCOM policies, after receiving Division Chief, Contracting Officer Representative, and Contract Site Lead approval. GFE for remote work will be provided by USCENTCOM or provided by another government entity after appropriate coordination by USCENTCOM. Additional travel guidance is contained in paragraph 7.15.

7.2. SECURITY REQUIREMENTS

7.2.1. All contractor personnel performing work under this PWS must possess and maintain a minimum-security clearance of Top Secret (TS)/Sensitive Compartmented Information (SCI). The government will not accept a contractor to perform duties for the government without a fully executed DD254 and evidence of Contractor Personnel TS/SCI clearance status unless the position falls within exceptions stated in the Description of Services paragraphs.

7.2.2. The only position exceptions to maintaining a TS/SCI clearance are written within the CLIN descriptions, and those personnel will be working outside the SCIF.

7.3. WORKSPACE

7.3.1. The government will provide and/or make available administrative office space as described in the Government Furnished Equipment paragraph above.

7.3.2. Government facilities comply with Occupational Safety and Health Administration (OSHA) work-place standards. Should hazards be identified, the Contractor will notify the government in writing. The government will correct the hazard, taking into account safety and health priorities. Compliance with OSHA and other applicable laws and regulations for the protection of employees is exclusively the obligation of the Contractor. The government assumes no liability or responsibility for the Contractor's compliance or noncompliance with such responsibilities.

7.3.3. The Contractor shall not alter or modify the furnished office space without specific written permission or verbal directive from the COR.

7.3.4. The Contractor shall return all facilities and equipment to the government at the end/termination of the task order. The office space and equipment provided for use in the performance of this task order shall be used only for performance of this task order. Due to the unique work area security measures, Contractors shall be responsible for complying with USCENCOM policies located on the USCENCOM portal.

7.4. CONSERVATION OF UTILITIES. The Contractor must make sure employees practice utilities conservation. The Contractor must be responsible for operating under conditions that prevent the waste of utilities. (a) Lights must be used only in areas where work is actually being performed. (b) Employees must not adjust mechanical equipment controls for heating, ventilation, and air conditioning systems. (c) Water faucets or valves must be turned off when not in use.

|

7.5. CLASSIFIED INFORMATION. Disclosure of information, to any person not entitled to receive it, or failure to safeguard any classified information that may come to the Contractor, or any person under their control, may subject the Contractor and/or its agents or employees to criminal liability under 18 U.S.C. §793 and §798.

7.6. PHYSICAL SECURITY. The Contractor shall be responsible for safeguarding all Government property, official information (classified and unclassified) and controlled forms provided for Contractor use. At the end of each work period, all government facilities, equipment and materials shall be secured. When not under the direct control of Contractor personnel, all government facilities, equipment, and materials utilized by Contractor personnel shall be secured.

7.7. BREACH OF SECURITY. The Contractor shall not disclose nor cause disclosure of any information concerning operations which could result in or increase the possibility of a breach of security or interrupt the continuity of operations.

7.8. CONTRACTOR PERSONNEL

7.8.1. The Contractor shall provide the designated number of personnel possessing the skills, knowledge, and training to satisfactorily perform the services required by the PWS throughout the entire period of performance. Each CLIN shall be staffed in accordance with stated number of Full Time Employees.

7.8.2. Vacancies. In the event of a position vacancy, the contractor shall provide the government a suitable replacement meeting PWS duty description requirements no later than 21 business days after the position vacancy. The contractor shall provide the government with a position vacancy hire update within the first 7 calendar days after a position vacancy.

7.8.3. In the event the contractor does not provide a suitable replacement in the time specified in para 7.8.2, the invoice for the next month's billing will be prorated for that month for the amount of time the individual full time equivalent of the vacant position is unfilled and this will continue monthly thereafter until the position is filled. Invoices for services shall only reflect fulfilled and staffed positions.

7.8.4. Contractor personnel shall meet education and experience requirements outlined specifically in this PWS unless otherwise expressed and approved by the COR. The Contractor shall not employ persons who are identified to the Contractor by the Contracting Officer as potential threats to the health, safety, security, general well-being, or operational mission of the installation and its population. All Contractor personnel shall be able to read, write, and speak English fluently.

7.8.5. Government representatives may require the Contractor to remove employees from the workplace for reasons of misconduct or security. The Contractor shall ensure employees have current and valid certifications and licenses, as identified by the Government or Federal, State, and local requirements or laws, to accomplish the services of the PWS before starting work. The Contractor shall not employ any person who is an employee of the United States Government, if employing that person would create a conflict of interest or the appearance of a conflict of interest.

7.9 NETWORK ACCESS. Prior to gaining access to the USCENCOM computer network, Contractors shall obtain a Common Access Card, complete Information Awareness training and complete the USCENCOM Staff Officer Orientation Course

7.10. HOURS OF OPERATION. The contractor will mirror the work schedule of the military and government employees assigned to USCENCOM. The USCENCOM workday established by Central Command Regulation 690-8 is an eight working-hour day occurring between 0600-1800. The core working hours are from 0900-1100 and 1300-1500 when all government employees are expected to be present for duty or on leave. The contractor is responsible for conducting business Monday through Friday except Federal holidays or when the government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings. Work may be performed outside of the normal duty day and normal duty week to allow for time differences between the USCENCOM AOR

and MacDill AFB and to accommodate senior government leader scheduling constraints. Normally the contractor will comply with the USCENTCOM holiday schedule.

7.11. FEDERAL HOLIDAYS. USCENTCOM observes the following Federal Holidays and any other day designated by Federal statute, Executive order, or the President's proclamation:

HOLIDAY	WHEN OBSERVED
New Year's Day	January 1 or the Friday preceding or Monday following
Martin Luther King's Birthday	Third Monday in January
President's Day	Third Monday in February
Memorial Day	Last Monday in May
Juneteenth	June 19th or the Friday preceding or the Monday following
Independence Day	July 4th or the Friday preceding or Monday following
Labor Day	First Monday in September
Columbus Day	2 nd Monday in October
Veteran's Day	November 11th or the Friday preceding or Monday Following
Thanksgiving Day	4 th Thursday in November
Christmas Day	December 25th or the Friday preceding or Monday following

7.12. RECORDS MANAGEMENT

7.12.1. The service provider shall ensure all records (according to Title 44, United States Code, Public Printing and Documents, Section 3301, include all books, papers, maps, photographs, machine readable materials, or other documentary materials, regardless of physical form or characteristics), files, documents and working papers provided by the Government and/or generated for the Government in the performance of this task order, remain Government property and are maintained in accordance with established Federal Records Act (Public Law 81-754), Freedom of Information Act (Public Law 89-487), Privacy Act of 1974 (Public Law 93-579), (DoD), HQ USCENTCOM directives, and shall be used for official use only.

7.12.2. Government owned records will be segregated from the company-owned records. Records management at the functional level is life-cycle management (creation, maintenance, storage and use, and disposition) of information as a government record, regardless of the media. Action to destroy Government records can only be based on authorized records disposition schedule (RDS) as approved by the National Archives and Records Administration

(NARA). If there is no NARA disposition, records will be maintained until disposition is established.

7.12.3. All data created for Government use and delivered to, or falling under the legal control of, the Government are federal records and shall be managed in accordance with NARA and objectives and policies of the DoD, HQ USCENTCOM directives and the records management legislation as codified in 44 U.S.C., Public Printing and Documents, chapters 21, 29, 31, 33, and 35 and Freedom of Information Act (5 U.S.C. 552), Privacy Act (5 U.S.C. 552a), and Public Law 100-235 and shall be scheduled for disposition in accordance with 36 CFR Chapter XII Part 1228, Disposition of Federal Records, and the HQ USCENTCOM Records Disposition Schedule (RDS).

7.12.4. All reports, records, files, documents, maintenance policies/operating instructions and working papers shall be made available to Government personnel, as requested.

7.13. PERSONALLY IDENTIFIABLE INFORMATION (PII)

7.13.1. Sensitive PII is personal information, which if lost, compromised, or disclosed without authorization, could result in substantial harm, embarrassment, inconvenience, or unfairness to an individual. Some categories of PII, when maintained by the Department of Air Force, are sensitive as stand-alone data elements. Examples of such sensitive PII include:

- Social Security Number (SSN) in any form.
- Alien registration number (A-number).
- Biometric identifier.
- Financial account numbers.

7.13.2. The following information is sensitive PII when grouped with the person's name or other unique identifiers, such as address or phone number:

- Driver's license number.
- Medical Information.
- Citizenship or immigration status.
- Passport number.
- Full date of birth.
- Authentication information such as mother's maiden name or phone passwords.

7.13.3. PII accessed or handled by contractors. Contractors who are required to access or handle PII on behalf of the Air Force, must follow this Instruction. Organizations who have contractors accessing and handling PII must coordinate with contracting officials to ensure the task order contains the proper Privacy Act clauses: 52.224-1, Privacy Act Notification; and 52.224-2, Privacy Act as required by the Federal Acquisition Regulation (FAR) (see FAR website at: <http://www.acquisition.gov/far/>).

7.13.4. Task orders must be reviewed annually by the Contracting Officer Representative (COR) to ensure compliance with this Instruction.

7.13.5. Disclosure of PII to contractors for use in the performance of an Air Force task order is considered an official use disclosure within the agency under exception (b)(1) of the Privacy Act.

7.14. TRAVEL GENERAL INFORMATION

7.14.1. CONUS travel may be in locations other than USCENTCOM sites or in the USCENTCOM Area of Operations.

7.14.2. For travel efforts, contractor will be required to execute a Letter of Identification (LOI) prior to scheduling travel IAW FAR 31.205-46(a)(5). LOI will be coordinated through the COR to ensure contractor compliance with the Joint Travel Regulations (JTR). Upon receipt of fully executed LOI, contractor may execute travel. If travel costs are projected to exceed the amount established in approved LOI, an amended LOI shall be requested and approved prior to execution, or the contractor is required to cover the excess costs. Fully executed LOI must be submitted with an invoice for Cost-Reimbursable payment.

7.14.3. Contractor personnel will comply with the travel regulations listed in this paragraph and USCENTCOM Policies for travel. Travel and Other Direct Costs (ODC) shall be reimbursed at cost with no profit or fee. No additional mark-ups will be allowed. All travel beyond Joint Travel Regulations (JTR) specified radius of MacDill AFB shall be with the limitations set forth in FAR 31.205-46. Travel costs must be consistent with and limited to the approved Joint Travel Regulations. Contractor shall provide a monthly travel summary to include all reimbursement receipt requests and substantiating records.

7.14.4. Contractor travel documentation (flight itinerary, rental car reservation, hotel reservation, etc.) must be accompanied with an email or Word document verifying the need for contractor presence at the event by their government lead.

7.15. TRAVEL REQUIREMENTS

7.15.1. Contractor shall be prepared and eligible to travel, to include OCONUS, CONUS, and must be able to obtain an official passport. The duration of contractor travel shall be determined by the government task lead and approved by the COR. An official passport requirement will be substantiated by USCENTCOM to the Department of State. The government will not reimburse personal passport fees.

7.15.2. Visas. The government will be responsible for visa fees for required travel. No additional fee to include general and administrative fees shall be paid in addition for reimbursement.

7.15.3. Contracted personnel must comply with all Force Health requirements IAW USCENTCOM MOD to USCENTCOM Individual Protection and Individual- Unit Deployment Policy and be current on Tetanus, Diphtheria, Hepatitis A, MMR, Polio, Influenza, Typhoid, Yellow Fever, and Meningococcal vaccines prior to deployment. The Government will furnish Anthrax, smallpox and any other vaccines not available from commercial sources for assigned personnel deploying who volunteer to take them. Contractor shall provide applicable riders to company-provided Life and Health insurance policies that cover employee travel and work in locations which qualify as Hazardous Duty, as described by DoD.

7.15.4. On a case-by-case basis or when traveling to an austere environment, USCENTCOM will provide contractor(s) with documentation indicating the contractor's travel on behalf of the U.S. Government; will request overseas commanders to allow contractor's access to overseas Base/Post/Navy Exchanges, Commissaries, medical facilities, other facilities normally accessed by overseas contractors; and allow contractor(s) to purchase gasoline

coupons or equivalent, when required, while on Contract-related overseas travel. This documentation is particularly required when contractor(s) personnel arrive in Saudi Arabia, Kuwait, Bahrain, Qatar, the United Arab Emirates, Oman, Egypt, Jordan, and other nations within the USCENTCOM AOR, and/or the United Kingdom, Germany, and other locations as required.

7.16. TRAVEL REGULATIONS

7.16.1. The Contractor shall comply with the guidance in FAR 31.205-46 using the regulations specified below.

7.16.2. Federal Travel Regulations (FTR) - prescribed by the General Services Administration, for travel in the contiguous United States Joint Travel Regulations (JTR), Volume 2, DoD Civilian Personnel, Appendix A prescribed by the Department of Defense, for travel in Alaska, Hawaii, and outlying areas of the United States, Department of State Standardized Regulations (DSSR) (Government Civilians, Foreign Areas), Section 925, "Maximum Travel Per Diem Allowances for Foreign Areas", prescribed by the Department of State, for travel in areas not covered in the FTR or JTR.

7.16.3. Contractor, in coordination with USCENTCOM personnel, shall make necessary arrangements for required visits for discussions concerning draft products, data collection, interviews, conference, meeting and seminar attendance. The appropriate government task lead or subject matter expert will assist in coordinating arrangements and establishing appropriate points of contact for contractor visits to subordinate or associated organizations. Contractor visits will include data collection contacts with all appropriate staff elements and offices. Since out-of-area travel often will entail accompanying a USCENTCOM representative, the contractor will use the same travel scheduling facilities as the Government to effectively schedule travel time to maximize enroute planning and consultation. A trip report covering the activities of all travelers shall be submitted within 15 workdays to the Government. The report shall include the travel purpose, organizations visited, personnel contacted, major findings, points of discussion, friction points, decision points, and recommendations to the Government.

7.16.4. Contractor shall utilize the most cost effective and event-efficient lodging and rental vehicle(s) available. Rental vehicles will be for traveling personnel. If one to four personnel are traveling, the group will utilize one rental vehicle. If more than four personnel are traveling either two sedans or one SUV/van are authorized with approval of the COR. If sharing a vehicle is impractical due to mission requirements, the contractor shall provide a memorandum of explanation to the COR.

7.17. INVOICES

7.17.1. Contractor shall provide copies of monthly invoices to the COR and will include copies of travel related expenses. This is to review as part of the approval process and for the historical data archive. Contractor shall invoice monthly for costs incurred. The Contractor shall certify with a signed and dated statement that the invoice is correct and proper for payment. The Contractor shall provide invoice backup data in accordance with the contract type, including detail such as labor categories, rates, and quantities of labor hours per labor category. The Contractor shall submit invoices as follows:

7.17.2. Invoice Requirements: The Contractor shall combine LH and NTE CLINs (e.g., travel and ODCs) in one invoice submission. Provide receipts for all travel and ODC purchases.

The final invoice should be submitted within 45 days of task order expiration. The Contractor shall provide the Government with a monthly status on when the final invoice will be submitted to the Government upon the completion of the base period or (if exercised) an option period.

7.17.3. Invoice documentation shall also include a copy of individual timecards and travel expense documentation monthly. The government will use this documentation for invoice verification and historical workload records keeping. The government will not be obliged to approve an invoice for payment unless all proper contractor expense documentation has been received and reviewed.

7.17.4. Labor Hour (LH): The contractor shall invoice monthly on the basis of cost incurred for the LH and shall include the Period of Performance (PoP) covered by the invoice and CLIN number. All hours and costs shall be reported by CLIN, by contractor employee, and shall be provided for the current billing month and in total from Mission Support to date. The contractor shall ensure all work is performed in accordance with the correct CLIN and funding source. The listing shall include separate columns and totals for the current invoice period and the project to date. The contractor shall provide the invoice data in spreadsheet form with the following detailed information:

- An employee identifier (current and past employee)
- Employee company labor category
- Employee OASIS labor category
- Contract Line Item Number (CLIN)
- Proposed Rate
- Actual Rate
- Variance
- Current Hours
- Current Amount
- Prior Cumulative Hours
- Prior Cumulative Amount
- Total Cumulative Hours
- Total Cumulative Amount
- Cost incurred not billed
- Time period of hours billed if different than invoiced period
- Current approved forward pricing rate agreement in support of indirect costs billed

All cost presentations provided by the contractor shall also include Overhead charges, and General and Administrative charges and shall also include the Overhead and General and Administrative rates being applied. All expenses, fees, mark-ups when applicable shall be itemized and properly identified in accordance with Generally Accepted Accounting Principles and be understandable at the layman level for transparency purposes.

7.18. PROVISION OF REQUIRED EQUIPMENT. If Contractor is required to deploy with USCENTCOM Headquarters elements, or travel to potentially hazardous forward areas of operation, USCENTCOM will provide the Contractor personnel with field gear and protective equipment. Additionally, personnel will get logistical support in accordance with USCENTCOM policy for the area where they are deployed.

7.19. CONTRACTOR PLANS

7.19.1. **QUALITY CONTROL PLAN.** The Contractor shall develop, maintain, implement and enforce a Quality Control Plan (QCP). The QCP shall ensure that the government receives the level of quality that is consistent with the requirements specified in the PWS. Contractor is required to submit a QCP with their initial proposal and an updated QCP within 15 days of each subsequent exercised option period. The Contractor shall be responsible for overall responsiveness, cost control, adherence to schedules, cooperative behavior, technical quality of work, and commitment to customer satisfaction.

7.19.2. **PROGRAM MANAGEMENT PLAN.** The Contractor shall develop, maintain, implement, and enforce managing its support to the Government.

7.20. **GOVERNMENT SUPERVISION OF CONTRACTOR.** The Government will not supervise or otherwise direct Contractor employees. The Government will inspect Contractor performance in accordance with the Quality Assurance Surveillance Plan or Project Management Plan and all other clauses specified in the PWS will be reported to the COR.

7.21. **TASK MANAGEMENT.** The client shall identify the COR and an Alternate Contracting Officer's Representative. Management of this contract will be performed by the Contracting Officer through the COR.
